Dear Sirs

The Cullompton Community Association would like their 32 acres of public open space based in Cullompton to be designated Local Green Space, as set out in the NPPF, and wish it to be included in the Local Plan and Neighbourhood Plan for the area.

We consider that we meet all the criteria for this designation in that the fields are reasonably close to the proximity of the community it serves, demonstrably special and has beauty, recreational value, tranquillity and richness of wildlife.

We look forward to hearing back from you in response to this request.

Yours faithfully

Catherine Penharris  
Chair  
Cullompton Community Association
