10th February,

Re: Policy No MM45

Dear Sir,

With reference to the Mid Devon Local
Plan Review, with particular reference to MM45.

I wish to have Policy SP2 deleted from
the plan. If this does not happen please redraw
the settlement boundary for Sampford Peverell so
that the Green Infrastructure (GI) on the policies
map for SP2 remains in the countryside.

Yours faithfully

Joy Childs (MRS)
