Question 1

Q1 Priority 1] Responding to the climate emergency and moving to a net-zero carbon future

Q1] Do you agree Priority 1 responding to the climate emergency and moving to a net-zero carbon future should be the overarching / top priority for Plan Mid Devon?

Q1 Priority 1] Please state why?

Q1 Priority 2] Delivering development, infrastructure and regeneration to meet our needs

Q1 Priority 2] Please state why?

Q1 Priority 3] Addressing housing affordability and improving choice

Q1 Priority 3] Please state why?

Q1 Priority 4] Protecting and enhancing the natural and built environment, and respecting environmental limits

Q1 Priority 4] Please state why?

Q1 Priority 5] Improving our health and well-being

Q1 Priority 5] Please state why?

Q1 Priority 6] Supporting rural vitality and a prosperous rural economy

Q1 Priority 6] Please state why?

Q1] Are there other priorities that we should include instead, please state why?

Devon

Question 2

Q2] What parts of this vision do you think should be kept and what parts should be changed, and why?

Question 3

Q3] Do you think that the Local Plan should introduce policies requiring that all developments which propose the construction of new homes or non-residential floor space will be designed, constructed and will perform to deliver net-zero carbon emissions?

Q3] Please provide your reasons

Question 4

Q4] Do you think that the Local Plan should introduce a policy to address the Whole Life-cycle carbon impacts of a development?

Yes

Q4] Do you think we should take the following approach(es)?

Quantified performance - setting explicit, quantified limits that determine which 'things' are acceptable / unacceptable

Q4] Do you have any other comments on Whole Life-cycle carbon impacts, or which circumstances each of the three approaches might apply?

Question 5

Q5] How do you think we should plan the future of Mid Devon to help reduce the need to travel by car?

Housing and commercial developments need to be closer to existing larger centres of population and not spread throughout smaller villages where there are limited or no services and jobs that are needed. By allowing developments in smaller villages, it only increases the problems of travel for work, education, leisure, etc. and so increases dependence on vehicle use with increased pollution.

Question 6

Q6] How do you think the new Local Plan should plan for renewable energy developments?

Identify one or more specific suitable sites in the district for renewable energy e.g. for wind, and solar or small-scale hydro? , Require all strategic urban extensions and the Culm Garden Village to include decentralised renewable or low carbon energy supplies (subject to feasibility and viability)?

Q6] Comments

Increased government grants to convert existing heating systems in houses, etc. are needed to help reduce pollution from gas, oil, solid fuel and wood boilers/stoves.

Question 7

Q7] Which renewable energy technologies should be prioritised in Mid Devon?

Solar Photovoltaic (PV), Small scale hydro, Anaerobic Digestion (AD), Heat networks, Solar thermal

Q7] Comments

Question 8

Q8] Are there any other measures in relation to the development and use of land and buildings that you think the Local Plan should consider to help address climate change and help us move towards a low carbon future?

United Kingdom

Question 9

Q9] Which new technologies and/or digital communications are most important to you and you think we should encourage/support through the new Local Plan?

Wireless internet access

Question 10

Q10] Do you think that Plan Mid Devon should explore allocating sites in the Local Plan for Build to Rent homes?

Yes

Q10] Comments

Yes for local residents.

Question 11

Q11] Do you think that the new Local Plan should introduce additional eligibility criteria in addition to the national criteria referred to in the issues paper?

Not sure

Q11] Comments

Question 12

Q12] Do you think that Plan Mid Devon should set minimum requirements for accessible and adaptable housing?

Yes

Q12] Comments

Question 13

Q13] Which types of specialist housing do you think we need more of and why?

We have more less able bodied/disabled/elderley persons that need accommodation which hasn't become available.

Question 14

Q14] Do you think that there is any demand for senior co-housing communities in Mid Devon and is this something we should be planning positively for?

Yes

Q14] Comments

Yes if this is meant to mean something like sheltered housing with help on site for residents when needed. But not more "McCarthy and Stone" blocks which seem to cost too much to purchase.

Question 15

Q15] In addition to requiring a percentage as custom and self-build on larger sites, what else can the Council do to support custom and self-build in Mid Devon?

Could it provide a limited professional help to guide self-builders?

Question 16

Q16] What types of custom and self-build would you like to see more of in Mid Devon?

Smaller units for first time buyers.

Question 17

Q17] What can Plan Mid Devon do to support community-led, co-housing and custom and self-build projects?

as fro 15

Question 18

Q18] Do you think that Plan Mid Devon should include a policy to support Modern Methods of Construction?

Not sure

Q18] Comments

Doesn't it already approve of for example "timber frame" dwellings?

Question 19

Q19] What do you think we can do to raise awareness and understanding of MMC and realise the opportunities for MMC in Mid Devon?

Question 20

Q20] Do you think that Mid Devon should introduce a 'One Planet Development' policy that would provide scope for modest scale low impact, land based developments in the countryside, subject to strict requirements?

No

Q20] Comments

Question 21

Q21A] Identify sites in the three main towns - Tiverton, Cullompton, and Crediton

Yes

Q21B] Identify sites outside the main towns in rural and semi-rural locations

No

Q21C] Include a policy for rural exceptions sites to meet local traveller needs

No

Question 22

Q22] Are you aware of a site that you think may be suitable to provide homes and Gypsies and Travellers, a transit site or emergency / negotiated stopping place, or a yard for Travelling Show People?

No

Q22] Please tell us where the site is and which use you think it might be most suitable for

Question 23

Q28] Please tell us why you think this area?

Question 29

Q29] What do you think is the minimum level of Biodiversity Net Gain that the new Local Plan should set? (please select one)

Q29] You selected 'More than 10% Biodiversity Net Gain', so what do you think this should be and why?

Question 30

Q30] In addition to securing tree planting along new streets and walking / cycle paths and as part of green infrastructure, should Plan Mid Devon include a prescribed level of tree planting in new development?

Yes

Q30] If Yes, please tell us what level you think this should be and why?

Trees are good for us in many ways. They provide oxygen, capture carbon, and can enliven our environment and make us feel better.

Question 31

Q31] Are there any specific parts of the Grand Western Canal that should be given more protection and why?

Question 32

Q32] Please select what you think should be the top three measures in terms of their importance in the planning our places to encourage and support healthy lifestyles

Opportunities and access to open space and play and recreation, Opportunities for active travel, including walking and cycle routes, Opportunities for growing food locally, e.g. through allotments or the planting of fruit trees as part of landscaping schemes

Question 33

Q33] National Planning policy and guidance does not define what is meant by 'beauty' in design. What aspects of design, such as layout, architecture or landscape elements, do you think would contribute to create beautiful places and buildings?
